Nine of Diamonds:

Patron

Characteristics: Completing a significant chapter in the evolution of their soul and being is why Nine of Diamonds individuals are here. When the time is right there is a lot of giving to others along with a willingness to release people and material items from their lives. They may have a life of disappointment and remorse if they have not listened to the call to give and release others as well as materialism, relationships, and love. There is a tendency to be philanthropic for individuals on the positive page; those who are happy and productive. Living a universal life each one has the opportunity to directly experience a heightened consciousness. Regardless of occasional losses, such people can do quite well in business terms, in particular when it involves selling or other creative pursuits. They are superb at promoting activities they believe in. Communication is something they excel at. Counseling others, even if not professionally,

is something they will likely do. Those that do not are nevertheless, excellent friends and family members. It is possible for them to achieve affluence if they have the ability to keep their own values in proper perspective. When taking any kind of risks at all, even driving, caution should be maintained. Bad luck and misery will result from failure to realize that we must give in order to receive. The King in their Mars palace is the reason for this. Sales or promotional work is something the Nine of Diamonds is unusually talented at. In addition, legal matters and disputes is also an area this card is more successful at than most other Birth Cards. While most choose a line of work intellectually stimulating to them, they are likely to make money doing this. Improving and utilizing their charm and power for good work is a challenge for the Nine of Diamonds. They frequently bring others to a higher knowledge and understanding, and thus many are fated to make great contributions to humanity. Nine of Diamonds, fortunately, are not prone to recklessness. Many are attracted to the professions, thus allowing use of their intellectual abilities, which are well developed. Attorneys or members of assorted communications fields are often Nines of Diamonds.

Relationships: Normally, marriage is perceived as a job involving numerous duties by the Nine of Diamonds. In this lifetime, their families are often the main area of their accomplishments. Talking with others is something the Nine of Diamonds enjoys doing. Good wit and intelligence are their qualities. Karmically speaking, many have

had a challenging life. Responsibilities associated with parenting, and being spouses or offspring are usually a part of their lives. Their karma is involved in their marriage and this is long lasting. Relative to marriage, they approach things in a traditional manner and they are generally easy to get along with and very generous.

Personality Connections: A good match for Diamond men is the female Nine of Diamonds. With the exception of the Jack, the male Nine of Diamonds should be careful with female Clubs, who are a potential marriage partner. Caution should be brought to bear. This is true of both males and females. Unexpected challenges frequently are the result in such cases. Men who are Clubs are seen as attractive to Nine of Diamonds women. Good marriage or business partnership can result. Even though they are a challenge for Diamond women female Spades love Nine of Diamonds men.

Confrontations: An unlucky area is gambling. Even though they give to others, they take advantage of them. The Nine of Diamonds experiences these things more than most, to the point where they sometimes feel they have been cursed. They feel they are victims of the cosmos and almost persecuted by financial loss. For the Nine of Diamonds, this is their nature. When it comes to money or even their lives, many Nine of Diamonds individuals believe they are treated unfairly. Often, they are not repaid money they loaned a person. The majority of the profits in business partnerships appear to go to their partners. Their entire investment is lost in the partnership when it fails. Illegal activities can victimize them and there can be losses in their lives because of this.
