If a party planner is needed, even at the very last minute, the Leo-Rat is there. Leo-Rats can also be a sort of natural born motivational speakers or very effective counselors. The Leo-Rat is extremely positive and very talented. They love to have a good time and are capable of turning a negative situation into a party at the drop of a hat. If a person needs cheering up, this is probably the combination a person should contact. They make fine sports coaches because of their ability to motivate and inspire. This combination is extremely energetic and easily capable of multitasking. Most people would get tired just following them around for the day even without doing the work they do at each stop. This combination shares and cares, but knows how to manage money. They give a helping hand but do not martyr themselves in the process. It is very possible that they will be quite financially successful because of all their abilities and talents. They are joiners and leaders. They can solve problems as well as chitchat with the elite. Creativity is another one of their aptitudes. If you want something designed, they can do it. Other and, in fact all, forms of creativity are in their sights since music and the dramatic arts call them as well.

Romance: This combination works hard. They do not dawdle and they do not care for those that do. They have a deep and long lasting passion for the things and people they care about and have no interest in fiddling around with far-flung places, far out ideas or farfetched love affairs. As Leo-Rat is a combination that loves deeply and usually loves forever. They spread their love far and wide. In general, they fall for someone who is a people person and enjoys being around crowds and ceremonial gathering.

Relationships: Poor selections for this combination are Taurus, Scorpio or Aquarius-Horses. Really bad picks are Scorpio or Aquarius-Rabbits. At the top of the list for romance is the Buffalo who is a Gemini, Libra, Capricorn or Sagittarius. Other good choices are the Dragon who is a Gemini, Libra, Sagittarius or Capricorn. Further good choices are Aries, Gemini, Libra and Capricorn-Monkeys.

Family Life: This combination is terrific at taking care of the home and the family. That is true not just in the food and shelter categories, but in the shelter from the storm category too. The family feels safe in their environment. They do that faithfully and they do that well. Fairly obviously stemming from the Rat's influence, this combination likes to have goods in the house and safely stored.

Likelihood: In the event that this combination comes into money, they will use it wisely and develop a plan to maximize their assets. If they are not born with a silver spoon in their mouth, they will soon be able to afford their own. A tireless worker, this combination will almost certainly be successful in some

Famous Leo/Rats: *James Baldwin, Yves St. Laurent, Leon Uris, Gene Kelly, Mata Hari.*
