This combination does forge ahead through enemy lines with a brilliance and dedication exceeded by none. They smile in the face of danger and tap-dance on the edge of cliffs. The Sagittarius-Dragon is good looking and determined. The Sagittarius-Dragon is a fearless soldier dedicated to the proposition that they will prevail. That does not mean that they are rude, harsh or rough. Quite the contrary, they are well mannered, gentle and stately. In addition they are clever and outsmart their foes. They are so gifted that they make former enemies into converts. They are not egotists nor are they selfish. Rather they are utilitarian wanting the greatest good for the greatest number of people. They have goals and dreams and a vision of how to attain them. This combination is right more often than not. The Sagittarius-Dragon is modest in spite of being triumphant. There is not so much as one iota of arrogance in them. They are friendly with everyone and quite down to earth. They do not carry an air of supremacy around with them. They are the friendly type in spite of their ambition and are quite happy to have others join with them in their quest to make dreams come true.

Romance: Big dreams are part of this individual and that includes everything across the board. They want a huge house with zillions of children. The size of the dreams demands a partner who has real standing and real depth. Being married to a Sagittarius-Dragon is an experience indeed. The Sagittarius-Dragon is shrewd when it comes to marriage and does not rush things. Their overall demeanor of friendliness and confidence is attractive to others. This combination is not interested in merely the external. They want a real partner in life; someone who will help them attain their aspirations.

Relationships: Poor choices for compatibility in this combination are Dogs who are Gemini, Virgo and Pisces. Excellent picks in the realm of romance are Aries, Leo, Libra and Aquarius. The best of these are Aries-Buffalo, Tiger, Monkey and Boar as well as the Leo-Rat, Monkey or Rooster. Additional fine choices are the Libra-Tiger and Monkey, or Aquarius-Rat and Monkey.

Family Life: This combination must be seen shopping only at the best stores. Discount department stores are not for them. They are original and creative in terms of their home. It will be unique, it will be cool, but most of all it will be impressive. This combination makes excellent parents. They are dependable and caring. They are encouraging. Status is primary for the Sagittarius-Dragon. In the beginning they do not require luxury but they want only the finest as time passes. They do not care to live on the wrong side of the tracks; rather it must be a neighborhood with standing. When they have children, they must go to quality schools.

Likelihood: This combination is charming overall and that too helps them get to the mountaintop. They have a staggering amount of self-confidence without being pompous about it. This is a highly attractive combination. The Sagittarius-Dragon means what they say and says what they mean. If that is not enough, they do what they say they are going to do. That including succeeding. They will not quit. Of course they do not walk on water, so mistakes are possible, but infrequent.

Famous Sagittarius/Dragons: *Louisa May Alcott, Betty Grable, Richard Pryor.*
